SECTION 1: ORIGINS & FOUNDING FACTS (1964 - 1978)

Approved Historical Facts:
- Founded on January 25, 1964, as Blue Ribbon Sports (BRS) by Track Coach Bill Bowerman and runner Phil Knight.
- Officially renamed Nike, Inc. on May 30, 1971, inspired by the Greek winged goddess of victory.
- The Nike Swoosh logo was designed in 1971 by Portland State University graphic design student Carolyn Davidson.
- Bill Bowerman invented the iconic Waffle sole in 1971, leading to the Nike Waffle Trainer in 1974.

SECTION 2: KEY INNOVATIONS & MILESTONES (1979 - PRESENT)

Approved Product Milestones:
- Nike Air cushioning technology was introduced in 1979 in the Nike Tailwind running shoe.
- The Air Jordan 1 debuted in 1985 for Michael Jordan.
- The Air Max 1, designed by Tinker Hatfield with the first visible Air unit, launched in 1987.
- The 'Just Do It.' campaign launched in 1988.
- Never misattribute Air Max 1 to 1985 or claim Nike was founded in 1971 (it was founded in 1964 as Blue Ribbon Sports).
